

2020–2021

DIGITAL CURRICULUM Course Lists

PEAK Platform

We help educators spark student success through digital learning. More than 2,000 schools and districts have chosen Fuel Education to help them tap into the best of today’s vast array of digital educational resources, tailor solutions for a variety of learning environments, and personalize learning to drive stronger student and district outcomes.

With more than 300 digital courses for grades K–12, our expansive course catalog allows you to meet each student at his or her point of need—from those who are struggling, or at risk of dropping out or not graduating on time, to those seeking greater academic challenges or enrichment in their learning.

Whether your students are looking to launch a career right after graduation or pursue postsecondary studies, our digital curriculum will give them more options and help them ignite a passion for learning, earn valuable training and certifications, and jumpstart their futures.

Give us a call at **855.977.8452** to discuss your district's specific needs.
